

# French serviceman and wife killed in Rwanda – radio

Reuters, April 8, 1994

PARIS, April 8 (Reuter) – A French serviceman and his wife have been killed in fighting in Rwanda, Radio France Internationale said in an unconfirmed report on Friday.

The radio, quoting “reliable sources in Paris”, said the non-commissioned officer and his wife were killed at their home in the capital Kigali. The radio

said it had no further details.

A defence ministry spokesman said he could not immediately confirm or deny the report.

There are about 600 French nationals in Rwanda, most of them in Kigali.
