T.F. UN POLITICIEN Á LA PAGE !

Cet homme intelligent, il regarde loin et n'accepte pas des échecs; il ose faire ce que les autres craignent, non pour son intérêt mais pour celui de la masse populaire. Les villes de Kigali et Byumba ne doivent pas être démilitarisées, le Gouvernement de Transition à Base Elargie doit travailler dans la capitale. Qu'il lève la main, celui est contre. "Ils font la politique du village, je fais la politique de haute catégorie". La politiqu aux politiciens!! Bravo Monsieur le Président !!
