ITANGAZAMAKURU RIRAKOMWA MU NKOKORA

Demokarasi iba ari nyayo mu gihe rubanda nyamwinshi ari yo ifite ubutegetsi bwo hejuru. Kugira ngo ibubone ni uko iba yarahawe ubwisanzure bwo kutaniganwa ijambo, bityo ibigenda neza ikabishima naho ibikocamye ikabyamagana. Ikarwanya akajagari n'igitugu mu butegetsi yihitiramo, yitorera abayobozi. Kuba Perezida Habyarimana yaravuze ati "nshyigikiyè kutaniganwa ijambo", ni intandaro, nk'uko byigaragaje, y'ibinyamakuru byose kandi byinshi byandikirwa mu Rwanda. Nyamara bitera kwibaza iyo ba maneko b'ubutegetsi buriho, aribwo muri iki gihe bwiyemeje gushyigikira demokarasi isanzuye, bahora baneka mu macapiro ari hirya no hino mu mugi wa Kigali, bahiga inyandiko zigaragaza amakosa y'abavandimwe babo, y'amacuti yabo... bayobora umutungo wa rubanda. Abo bantu se bakorera igihugu muri ubwo buryo hari ikindi bazakigezaho usibye kugisubiza muri bya bihe bavugaga ngo ntihica umwami hica abamutegekera? Abo nibo baroga abaturage babatoza kubatinya, agahiri n'agahinda bakazagapfana kubera ko mu buzima bwabo baniganwe ijambo.

Ni koko, hanze aha baravuga ngo mu Rwanda hari itangazamakuru rihuzagurika nyamara bakirengagiza ibyiza muri iki gihe gito rimaze kugeza ku Banyarwanda. Kubera ryo, ryo ryonyine, bidatinze, vuba aha rwose, muri iki gihugu benshi bazajya bavuga ngo abariye u Rwanda barwunamyeho babifashijwemo n'itangazamakuru ryari ritarahabwa rugari. Mu minsi rero iri imbere rizaba nka wa mwirongi abajura bumva uvugirizwa aho bagiye kwiba bagahindura imigambi. Kuko mu kinyarwanda ngo uwihaga gushimuta inka zavugirijwemo umwirongi yarafatwaga.

Ibinyamakuru biriho, bibarurwa muri za mirongo itandatu, bike muri byo, bitageze ku icumi, nibyo bimaze imyaka irenga ibiri. Mu ikubitiro nibiramuka byihase kugeza ku basomyi inkuru mvaho ibindi bisigaye bigaragaza abanyamakuru b'abanyamwuga bizabigeraho uko imyaka itashye ariko ibya rubanda byararangije kubona ababivugira. Gutegereza abanyamakuru bahagije kandi babyigiye byazatuma umutungo muke igihugu gisigaranye ukendera. Mu by'ukuri birasobanutse neza ko guhera k'ubusabusa biruta gutangirira kuri zero. Kuri uwo murongo w'ibitekerezo, hagomba ubutegetsi bukora neza bwiyegereza itangazamakuru, atari ukugira ngo burigire igikoresho cyabwo ahubwo bukaryiyegereza mu rwego rwo kugira ngo burusheho kwivugurura mu buryo bunogeye abaturage. Ibi byanyibukije amagambo ibyo byitso bihora bivubura asebya Kangura bishaka kuyangisha Rubanda nyamara kandi rwo ruzi ikirufitiye akamaro rukaba ruyikomeyeho bitavugwa (ushidikanya azapereraze azasanga Kangura aricyo kinyamakuru cyigenga gisomwa kandi gikunzwe na Rubanda nyamwinshi benshi). Impamvu nta yindi ni uko yirinda amatiku kandi igaharanira ukuri cyane cyane ugufitiye rubanda nyamwinshi akamaro.

Utaranyurwa n'uko kuri azenguruke KANGURA zose zahise (ntawe ukunda ikiramwa hutu utazitunze) arasanga ibibazo (thèmes) KANGURA yakunze kugarukaho ntawe byagombye gutera ipfunwe, ko ahubwo byumviswe neza kandi bikabonerwa umuti uboneye, byaba intandaro yo gushimangira ubumwe n'amahoro nyabyo mu bana b'u Rwanda nkuko tuza kubyerekana hepfo. Ibyo byagerwaho neza ariko ba Kameya na Mugabe babanje kwivuza indwara ibarembeje yo kuvuga ngo n'ubwo ibyanditse cyangwa ibivuzwe ari ukuri, ubwo ari Kangura ibivuze ni ukubirwanya.

Ibyo ni ukwishuka nabi kuko ntawe urwanya ukuri. Ukuri guhoraho ntiguhinduka. Imbere y'ukuri umuntu arapfukama akakwubahiriza, kukamuyobora nta kindi. Ahubwo niba hari aho ugukemanga, ba umugabo ukuvuguruze, unyomoze se aho gusera mu nda ngo ushinjagire ushira kandi ntawagufashe ururimi.

Dore ingingo nshaka ko ba "Kameya na ba Mugabe" batangaho icyabo gitekerezo aho gusebanya gusa (ni zimwe nasanze muri KANGURA zivugisha ibyitso amangambure!):

1. Intego y'ibanze: Gushyira hamwe tugatsinda inyenzi (Priorité des priorités)

Nta munyarwanda n'umwe ukunda urwatubyaye utakwemeza ko iyi ntambara twakuruweho n'inyenzi-nkotanyi aricyo kibazo cyihutirwa kitubangamiye. Iyi ngingo nta na rimwe KANGURA itayigarutseho mu nomero zose zahise kuko ariyo pfundo ingorane dufite ubu zose ziziritseho.

Uruhare rwa KANGURA n'umuganda itanga mu kurwana iyi ntambara bizwi na bose. Icyo yiyemeje kandi ni ugufasha Ingabo z'Igihugu mu buryo bwayo bw'Itangazamakuru, gutsinda umwanzi ruhenu. Iyi ikaba yagombye kuba intego ya mbere ya buri munyamakuru ukunda u Rwanda. Ariko se niko bimeze? Ba "Kameya na Mugabe" nibadusubize. Bataranadusubiza ariko ntituribagirwa ibyo umwe muribo Inkotanyi kabuhariwe RWABUKWISI Vincent wihimbye RAVI yatangaje muri KANGUKA y'ubushize. Mwese mwibuka ko ari muri Gereza yabyukaga buri gitondo yiteze kumva Radio itangaza ko iza Rwigema zageze i Kigali, uko asanze atari byo ngo bikamubabaza cyane. N'agahomamunwa!

2. Guhinduza ubwoko no kwiyoberanya by'abatutsi

Indi kabutindi KANGURA itemeye guceceka (dore ko mu bihe byashize kubivuga cyari ikizira: byari sujets tabous) n'ingeso mbi yarembeje benshi mu batutsi yo guhinduza ubwoko — ibi n'abatutsi ubwabo barabyemeza (cfr

KARIM P. Norbert muri Kangura nº 20, page 11) — kugirango babone uko biyoberanya n'uko bihisha mu bahutu bagamije kubatwarira imyanya mu butegetsi no mu mashuri. Iyi ndwara itavuwe vuba akari kera yazôreka abahutu. None se byitso mwe, mureke mbabaze; umuntu arajé ati: "ndashaka ko tuba inshuti?" Uti "ni byiza, mpa ka adresse kawe twibwirane", ati: "ibyo ndumva atari ngombwa": uti "ese wenda pfa kumbwira izina ryawe", ati: "yewe ibyo ntacyo bivuze icyangombwa n'uko tuba inshuti". Koko uwo muntu udashaka ko umumenya ubucuti uzabumwemerera?

Birakwiye ko abatutsi bahinduje (ni nka 80%) basubirana ubututsi bwabo, ahasigaye bakajya mu mashyaka bumva abagwa ku nzoka. Naho igihe cyose bazaba bumva bagomba kwihisha mu bahutu tuzahorana ubumwe bwa nyirarureshwa, babugendereho bazatwirenze.

KANGURA rero irifuza ko iki kibazo kiva mu bwiru vuba (que ce sérieux problème cesse d'être sujet tabou) ababishinzwe bakagifatira ibyemezo. Ndabona biri mu byakunga abanyarwanda, bakabana baziranye bataryaryana bamwe bubikiye abandi. Ababibona ukundi aho kuvuza induru basebya Kangura ngo irateranya amoko, nibatange nabo igitekerezo cyabo twuzuzanye (c'est de l'affrontement des idées que jaillit la lumière).

3. Bahutu mube umwe nkuko abatutsi ari umwe (L'union fait la force).

Uwashidikanyaga ko abatutsi ari umwe nizere ko iyi ntambara yamumaze amazinda bihagije. Mwiboneye mwese ukuntu badutera bashyize hamwe: Abatutsi bo muri Amerika, ababa mu Burayi, abo muri Uganda, abo muri Zayire, ababa mu Burundi n'ab'imbere mu gihugu mwabonye ukuntu bose babaye intera-hamwe. Ntibita ku mipaka y'ibihugu cyangwa ku turere batuyemo. Icyangombwa kuribo ni ubututsi. Ibyo rwose ni ukuri kutagibwaho impaka Kangura "yamye" yerekana ibwira abantu kugirira abatutsi ishyari ryiza nabo bakaba umwe. Igitera agahinda ariko n'uko hari ingirwa-bahutu zimwe usanga zirwanya ku mugaragaro ubumwe bw'abahutu, zikabacamo ibice, zibatatanya. Ese nka Dogiteri mu matiku SEMUSAMBI (Docteur ès intrigues, nawe yabonye ubumenyi abamo kaminuza!) iyo yirirwa agonganisha abahutu, yigisha Nduga-Rukiga, aba akorera nde? MDR cyangwa FPR? Iyo atinyuka agafata agace gato ka Byumba akakitirira Perefegitura eshatu zose z'igihugu aba agamije iki? Rwose urabona kwirirwa utwigisha ayo mahomvu bene GAHINDIRO bariho baturasa mu majyaruguru y'Igihugu, ubona atari uburwayi? Koko bavuze Muraramo, njye mbona iyo ba "Semusambi" barwaye yo ari injyanamuntu; itavuwe vuba yazôreka imbaga y'abahutu. Niyo mpamvu dukwiye gutabara, tukabavura tubereka ukuri bakagaruka mu nzira nziza, bakiyumvisha ko ubumwe bw'abahutu buruta byose. Ese babonye umunyenduga w'umututsi hehe? Umukiga w'umututsi bamubonye he?

Maze rero twe tubona ko abahutu nibaba umwe nibwo bazakorana neza n'abatutsi; naho nibicamo ibice, bazakomeza kuba ibikoresho by'abatutsi babagaragure uko bishakiye mpaka ingoma yabo bayishubijeho (DIVIDE UT IMPERES!). Ibi ni ukuri, ababibona ukundi aho gutukana nk'abashumba nabo berekane igitekerezo cyabo kuribyo.

4. Kunena abahutu kw'abatutsi byadindije ubusabane bw'amoko (ngo nta ntama mu ihene!)

Igihe umututsi azemera ko ari umuntu nk'abandi u Rwanda ruzaba ruteye intambwe ndende mu bumwe bw'igihugu duharanira. Muri KANGURA zahise hagaragayemo ibitekerezo byamagana imyifatire mibi y'abatutsi banena abahutu. Birazwi ko kubera gushaka ubusabane bw'amoko no kwubahiriza intego y'ubumwe bw'abana b'u Rwanda, mu myaka yashize abahutu barongoye abatutsikazi bivuye inyuma, yemwe no mu bategetsi karakozwe. Ariko iyo ugenzuye usanga ubwo busabane abatutsi batarabwitabiriye kuko bakomeje kunena abakobwa b'abahutu bahamya ya mvugo yabo ngo "nta ntama mu ihene"!; n'umututsi wakubise impyisi inkoni akarongora umuhutukazi ni nk'umwe ku gihumbi nawe kandi bene wabo bakamuca, bakamuha akato nk'uwakoze amahano.

Ibi iyo KANGURA ibivuze n'ukugira ngo bicike, amoko asabane nta buryarya, nta kwisumbukuruza bamwe ku bandi. Ese Kangura nimara kuvana abatutsi kw'izima, ikabumvisha ko ntacyo barusha andi moko, nabo bakemera kwiyoroshya bagasabana n'abandi, murahire ko itazaba ikoze akazi gakwiye ishimwe. Guharanira ubumwe bitari ibyo se ni ibihe? Ubwo se abayirega guteranya amoko ni bazima? Rwanda Rushya baririmba se bo babona twazayigeraho dute bakomeje kutunenera abakobwa kandi ntacyo ababo babarusha?

Umwanzuro

Ntabwo ingingo zose zuje ukuri zatambutse muri KANGURA twazimara inyuma uyu munsi, tuzakomeza ikindi gihe. Gusa twashatse kwerekana ko ibigambo ibyitso by'inyenzi nkotanyi bivuga cyangwa byandika ari ibinyoma bigamije guhunga ukuri kwa KANGURA batinya kurusha uko umuriro utinya amazi.

Uko kuri twongeye kugushyira ahagaragara tunasaba buri wese ufite icyo yakwongeraho kubikora aho gutukana.

Batutsi rero muve ibuzimu mujye ibintu. Musezerere ibyo kwigira nyoninyinshi no kwiyoberanya kuko igihe cyabyo kigomba kurangira. Mukundire KANGURA ibakangure mu kuri, kwa kundi kutica umutumirano. KANGURA ntibanga yanga ubuyoka bwanyu; mubufashe hasi duturane muri iki gihugu cyacu twese nta bwoko bucyibwira ko busumba ubundi, maze u Rwanda rwacu turwubake rukomere kandi Turubumbatire mu mahoro, mu kuri, mu bwigenge no mu bwumvikane.

MUGENZI P.L. IGISAMBO CY'INGUFU MURI C.O.K.

U Rwanda n'u Busuwisi byaciwe umugongo no kumva ko inkotanyi, umugome n'igisambo kabuhariwe Mugenzi cyishyize ku isonga y'ubutegetsi bw'ishyaka ryemewe ryitwa "Parti Libéral", ishyaka riharanira ukwishyira ukizana bya buri muntu. Urubyiruko rwamumenyeye i Shyogwe n'i Mburabuturo hagati ya 1964 na 1970. Abasuwisi yakoranye nabo mu gutegeka ishuri rya Leta ryitwaga "Collège Officiel" de Kigali baba abagabo bo guhamya uburara n'ubujura bw'uwo muntu batazi inkomoko ye.

Mu bukotanyi ntawabitindaho, kuko kuba afitanye isano ya hafi na Bunyenyezi wa wundi ingabo z'u Rwanda zivuganye rugikubita muri iyi ntambara turwana, agafatanya na ba gitimujisho bibasiye gusiba icyitwa umuhutu mu mateka y'isi n'ijuru kandi akamagana ku buryo buteye isoni kandi ku mugaragaro revolisiyo ya rubanda ya 1959 birahagije kumushyira mu ntonga imwe na Kagame, Kimenyi na Museveni. Ubugome bwo abufitemo impamyabushobozi isumbye iy'ikirenga. Ajanjagura imisaya y'abo bigana-ga, akanogora murumuna we mw'ijisho maze akarenzaho gukubitira icyivugo ku ntumbi y'umugore we — bashyingiranywe kandi bafitanye abana — yari amaze guhotora ndetse akabifungirwa igihe kirekire ntaho yari adukinze.

Ubusambo bwe bwo bwarenze ihaniro: mbese yageze ku mpinga yabwo nk'uko nawe abyivugira iyo yiharanga ngo yageze ku mpinga y'ubwenge. "Moi j'ai atteint le sommet, mwige cyangwa se murorere" ibyo yabivugiye i Shyogwe. Ariba, agasahura, akariganya, agatobora amazu, agakora mu mifuka, akanyereza imitungo, agahubuza icyo asitayeho cyose. Ikigo cyahoze ari COK cyamubereyeho umugani. Ibyo mbizi mu busa kuko nahabaye ndi "surveillant" w'abanyeshuri nkahava nzinutswe ubusambo n'ubugome bw'uwo mugabo wari wungirije umuyobozi w'ikigo w'umuzungu maze umugore we akaba umucungamari wacyo ari nawe wari ushinzwe guhahira abanyeshuri.

Mbega ikigo ngo kirakira! Uwashaka kunyomoza azapererereze kuri Minisitiri Gasana, natanyurwa azegere Dogiteri Serufirira cyangwa umunyabyumba Mbonigaba, nibyanga azanyarukire ku Mugina kwa Burugumesitiri Nkurunziza, niba agifite amatsiko azakomereze iya Butare ku munyakibungo Ruzindana, nasanga ari ngombwa azamanukire ku Gikongoro asiguze Noheli wo mu Nyakinama maze aherukire mu mahanga yibarize inkotanyi Rwabuhihi Ezéchias na bagenzi be.

Muri COK rero byari byifashe bite? Iryo shuri bitaga intangarugero "Collège pilote" wagiraga ngo ryubatswe i Genève cyangwa i Neuchâtel; abanyeshuri baho bari bafashwe ak'ingagi ndetse ho bagashyiraho ururusho iryaguye. Nanjye nubwo nari umukozi mpembwa natamiraga ku mfashanyo agahumbi n'agahumbagiza zagenerwaga abanyeshuri ariko zimaze kuyunguururwa na mwene wacu Mugenzi bitaga Ruhugafu kuko Yusitini ari iritagatifu atagombaga kugiraho uruhare.

Uwo mugabo akiri i Shyogwe yumvise akanunu ko hari imbehe iri kubarizwa i Mburabuturo maze aratikura karahava kugeza ubwo ahegukanye intebe iryoshye mu bazungu b'abatesi batazi ko mu Rwanda za rusahuzi ari igitero. Yarahageze aradamarara, yoga mu bintu no mu madovize, byose arakusanya biratinda. Akanyeshuri cyangwa akarimu gashatse kubyutsa imvugo akakanaga iya Mont Kigali cyangwa i Jari utaretse Nyarurama hariya ku i Rebero-Horizon ntikongere gusubiza amaso inyuma ukundi. Bizwi na Shefu we Zaug na Rwamabondo yazengerezaga, abazungu yurije indege ntibabarika, abanyeshuri yaciragamo kabiri ubuzima ku maherere barimo abitwa ba Zitoni na Kamanzi n'abandi n'abandi ntibabona igitabo bakwandikwamo. Hari n'abo yazizaga ko bakize kandi batamurusha umutungo yabaga yasahuye muri COK. Musoni wa Ndamage cyangwa mwene Mutama bo wagira ngo bari baranyoye amasubyo; ariko nabo ntiyaburaga kubareba ikijisho cya simusiga. Icyakora asa n'uwaje gucogozwa n'umusuwisi w'umudage Luti.

Maze rero yarakugenderaga agakumunzura imifuka y'umuceri, y'ibishyimbo, y'ubunyobwa, y'isabune y'ifu, y'isukari, y'ibirayi, y'amata, y'ifarini, ya polici, y'imyunyu, utugaro tw'ubuto n'utw'amamesa, amakarito y'impapuro z'isuku, y'amasabune n'ibindi n'ibindi; byose byabaga bigenewe abanyeshuri we akabyipakiriza amakamyo. Iyo imodoka zabaga nke yatumaga kuba karani ngufu bakabimanukana kiriya gisozi cyari kimaze kuba Mbonabuturo haba ku museso, ku manywa y'ihangu cyangwa mu kabwibwi bikuzuzwa amaduka yose yo mu Rwanda. None se ntari mu banyarwanda ba mbere bifunze utuvatiri twari tugezweho akabimburira abandi mu gusabagiza iriya Kiyovu y'abakire za "cadastre". Byageze naho yicisha abanyeshuri inzara kubera ko ibyo bari kurya kandi bitemba nk'amazi yabigurishaga maze akagerekaho no kubabyina ku mubyimba ngo "il n'y a aucun de mes fils parmi vous, mushatse mwapfa", ngo muri mwe nta mwana wanjye urimo. Amagambo nk'ayo k'uwiyitaga umurezi ni agahomamunwa.

Si ibyo by'ibiryo gusa, abanyeshuri bo muri COK bahabwaga amapantalo y'ubuntu. Uwo rusahuzi akayabadodeshereza ku nshuti ze akerekana fagitire ikubye inshuro icumi z'igiciro nyacyo. Ubwo kandi ibifurumba byakuzura rukururana by'ibitambaro agavuye yabaga yabyambukije iya Uganda akabigurisha akayabo. Amashati abasuwisi bari bohereje abanyeshuri yarayabagurishije ayandi ayanyanyagiza mu bacuruzi ntawamenye aho amafaranga yavuyemo yarigitiye.

Amasaha nayo yashatse kuyarigisa biranga, icyakora yashoboye gucomoramo udufurumba twayo tutari duke. Amagodora, ibiringiti, ibitanda utubati, amasahani, amakanya, ibiyiko, amakaye byo ntawarubara. Ntibyari bikiva mu mahanga kuko Mugenzi yari yarigaruriye amasoko yabyo yose. Yarabeshyaga ngo birashaje cyangwa ngo umubare w'abana wiyongereye maze abazungu bakohereza ibindi urufaya, byose agashimuta. Dore ko

abo basore bari bafashwe neza byageze naho abasuwisi babohereza amakashi; ababikurikiye hafi bavuga ko buri wese yari kubona nibura ibihumbi makumyabiri by'icyo gihe. Byaheze nyine mu magambo kuko mwene Kinyogote yashyize cya gisheki kibyibushye kuri konti ye bigaherera aho.

Iyo ntiti ngo y'i Makerere yari yarananiwe akazi ko kwigisha: yinjiraga mu ishuri akavuyanga amasomo, agasuka aho ingirwanyigisho zidafite umutwe n'ikibuno: abo yigishije ubumenyi bw'isi butaribwo baracyibaza aho uwo mugabo yabwigiye. Aho yabereye ntiyigeraga abaza, amanota yayikuriraga mu mutwe agatura aho, umuswa akarusha umuhanga: nta gihe yari yifitiye yari yashishikarijwe no gusahura gusa. Ubwo ni nako yanyerezaga imishahara y'abakozi, agahembesha ba Mivumu na Miravumba batabaho, agahimba imyanya y'akazi itagira bene yo, agasinya mu mwanya w'abakozi badakora. Hari n'ukuntu bahaga abanyeshuri ikiraka cyane cyane abaturukaga kure. Aho yabaga aguye mu mata n 'ubuki ahashashe kuko yavugaga ngo ni ikigo cyose cyasigaye, agatanga raporo y'imishahara yatanzwe idafite aho ihuriye na busa n'ukuri.

N'ubwo hari umuzungu wari uhagarariye ubwubatsi ntibyabuzaga icyo gihangange Mugenzi kumvikana na Chef maçon w'umunyarwanda bakarigitisha isima, fer à béton, amabati, amarangi n'ibindi. Umuzungukazi wavuraga abanyeshuri we yari yaramugoreweho; yaherukaga atumiza imiti kandi bakayimwohereza ariko ntazamenye amarengero yayo: Mugenzi yakoranaga n'indiri ya ba magendu bayimugururiraga.

Ubu noneho arashakishiriza kubura hasi no hejuru mu bayoboke b'ishyaka ngo ayobora no mu mfashanyo zitagira ingano zirimo iza Kanada uruhuri uburyo yazishyura miliyoni zirenga magana ane yagujije yubaka uruganda rwe.

Yemwe uwavuga ibigwi bya Mugenzi mu busambo imyaka yashira indi igataha. None ngo ni uwo mujura kaminuza uhatanira ubuperezida kugira ngo noneho abone uburyo yarateza cyamunara iyi Repubulika.

NYAMARA INKONI IKUBISE MUKEBA UYIRENZA URUGO

Ibinyamakuru by'Inkotanyi byabonye Umuyobozi wa Kangura afunzwe bibyinira ku rukoma. Muri iki gihe Ngeze Hassan, Umuyobozi wa KANGURA, witangira kurengera imbaga nyamwinshi y'abanyarwanda atahura kandi anatangaza amayeri n'ubugome by'Inyenzi-Nkotanyi, ari muri Gereza ya Kigali. Kubera iyo mpamvu ibinyamakuru by'Inkotanyi n'Ibyitso byarishimye ndetse bibyerekanira no mu nyandiko. Iyo umuntu asomye ibinyamakuru nka "Le Tribun du peuple" wigize umuvugizi wa rubanda kandi avugira abatutsi batemera ibyiza twagejejweho na revolisiyo yo muri 1959, wakumirwa. Dore ko n'Umuranga watangiye kurangazwa n'Ibyitso by'Inkotanyi, iyo usesenguye inyandiko zasohotse zerekeranye n'ihohoterwa rya Ngeze Hassan, usanga batangaza amatiku n'amatererano atesha agaciro itangazamakuru ry'u Rwanda ndetse n'iry'isi yose. Kubona umusaza Semusambi agera n'aho abeshyera Ngeze ngo yabujije abana gucuruza ibinyamakuru by'abanyenduga. Aha Semusambi yiyibagije ko akeza kigura. Birababaje kubona ikinyamakuru cy'Inkotanyi cyirirwa cyandika Ngeze Hassan bagamije gushaka gusa amafaranga mu baturage yo kujya kugura intwaro z'inkotanyi. Ese murabona byungura iki abaturage uretse gushimagiza Inkotanyi no gusebya abazirwanya.

Muri izo nyandiko ibyo binyamakuru birerekana neza ko byahumwe amaso n'Inkotanyi byitabira gusebya uwatahuye umugambi mubi wazo byirengagiza ko inkingi y'itangazamakuru ariyo kuvugisha ukuri kurengera rubanda nyamwinshi.

Tumaze gusoma inyandiko Semusambi yanditse mu Umuranga n° 38 twibajije niba ariwe wayanditse koko, kuko urebye ukuntu umwanditsi washatse cyane ubwisanzure bw'itangazamakuru none ubu akaba ariwe wandika ko umunyamakuru atagomba kwandika ku bibera mu bindi bihugu bitari u Rwanda. None se iyo nyandiko Semusambi yise "u Burundi na Ngeze Hassan" ntivuga u Burundi? Ese we niba atemera ko umunyamakuru yakwandika ibibera mu bindi bihugu, we yahawe uburenganzira na nde bwo gushushanya Perezida w'u Burundi mu kinyamakuru cye. Ese ko avuga ngo abanyamakuru ntibagomba kwandika ibikorwa muri politiki y'ibindi bihugu, we ajya kwandika kuri Sadam Hussein Perezida wa Iraki, akeka ko ari umunyarwanda. Radio-Rwanda ivuga amakuru y'u Rwanda gusa? Ahubwo Semusambi azatwereke aho Hassan yabeshye naho kuvugisha ukuri ntibigira umupaka. Wagombye kumenya ko umunyamakuru nyawe keretse wowe ukora magendu, agomba kuba ijisho rya rubanda. Ese iyo rubanda nyamwinshi ibaye ariyo ifashe ubutegetsi mu gihugu icyo aricyo cyose uribwa he?

Ubwanditsi bwa Kangura buboneyeho umwanya wo gusaba abahutu bose kujya bashishoza bakamenya ibinyamakuru bikoreshwa n'Inkotanyi n'Ibyitso byazo mu guteranya abahutu kugira ngo barangarire mu matiku no mu nzangano kugeza aho umwanzi afata ubutegetsi mu Rwanda. Ibyo binyamakuru bitiza umwanzi umurindi Kangura izakomeza kugaragaza amayeri yabyo iharanira mbere na mbere ubumwe bw'abahutu bose bo mu Rwanda. Ariko se Mugabo Jean Pierre niba udakorera Inkotanyi ko nta na rimwe wari wandika inyandiko yamagana bene wanyu, bakomeje kurasa abatagira icyaha bo mu Rwanda, ahubwo ukihutira kwamagana Ngeze Hassan, kuko uzi neza ko nawe ufasha bene wanyu uburyo bwo gufata ubutegetsi mu Rwanda, abandika muri Kangura, avumbura amayeri yabo.

Iyo umuntu ava mu mugi rwagati agana iyo nzira ubusanzwe akubwira ko agiye i Nyamirambo.

Tugaruke ku rupfu rwa Mukankusi Ansila.

Muri iyi nyandiko nabanje kubabwira mu magambo make uko Nyamirambo iteye n'abayituye. Ibi biradufasha kumva neza ibisobanuro twahawe na Liyetena Habimana, Komanda wa Brigade ya Nyamirambo, we ubwe wikoreye anketi kuri ibyo byago.

Mukankusi Ansila yishwe ku by'amaherere na Bahizi Reveliyani. Abantu basigaye babisobanura kwinshi. Mukankusi Ansila yari umubyeyi ukuze, umurezi mu kigo cy'amashuri abanza hafi y'iwe aho bita ku Intwari. Yashakanye na Bwarikera, babyarana abana bazwiho uburere bwiza. Muri iyi anketi havuzwemo n'amatwara Bahizi yari afite mu kwamamaza MDR no kwanga abatutsi. Liyetena Habimana yatubwiye ko ibibi biba muri Nyamirambo ahanini bikorwa n'abahaze kanyanga, urumogi n'ibindi biyobya bwenge. Umunsi Bahizi afata icyemezo cyo guhitana Ansila, yarakubyukiye azenguruka umugi, ariko yibanda muri quartier y'amaduka. Yiriwe ahiga aho yakwiba icyuma cya panyari, aho yashoboye kugifata ku ngufu ni mu iduka SAKAPATEL.

Bakoze uko bashoboye ngo bakimwake, babonye yakibatera, baramureka aragitwara. COMMUNIQUE SOS !

S.O.S ! Que toutes les Représentations diplomatiques en comprennent l'importance et en acceptent la plus large diffusion de la part des populations aux frontières rwando-ougandaises. Chefs d'Etat et de Gouvernements du monde entier, Responsables et membres des Organisations publiques ou privées et des confessions religieuses de la planète, levez-vous et faites comprendre au BARBARE Joël MUSEVENI de l'Ouganda et ses bandits qui s'attaquent sauvagement aux peuples innocents des deux côtés de la frontière entre le Rwanda et l'Ouganda qu'ils cessent leurs actes stupides. Ils s'infiltrent de nuit dans la population et se mettent à égorger au couteau, femmes, enfants, vieillards ou adultes sur leur passage. C'et atroce ! Ils violent, ils pillent, ils tuent. Ils sont armées par le Président de l'Ouganda, un maquisard de carrière qui se moque de l'humanité moderne et se fait passer pour un professionnel de l'intoxication de la presse internationale.

Au secours des populations déplacées par ces razzias, femmes, enfants, vieillards, ces personnes ont besoin de se nourrir, de s'abreuver, d'être soignées et de se reposer. Elles n'ont absolument rien emporté de chez elles avant de fuir ces bandits et sont gravement menacées de toutes sortes de calamités à cause de ces terroristes. S.O.S. ! Contre le fascisme et le machiavélisme du BARBARE Joël MUSEVENI, usurpateur du pouvoir en Uganda, avec ses mercenaires qui sont entrain de faire des ravages au sein des populations civiles innocentes.

Gisenyi-Info iramenyesha abasomyi ba Jeune Afrique batuye Goma na Gisenyi ko icyo kinyamakuru kigiye kongera kubageraho bakiguriye ku biro byayo ku Gisenyi.

Mu Kinyamakuru icyo ari cyo cyose haba harimo inyandiko akenshi zijyanye n'intego zacyo. Muzi ko nka KANGURA yatangiye ifite umurongo ikurikira. Hari n'ibindi binyamakuru byavutse bigamije kurengera inkotanyi. Muri ibyo binyamakuru harimo "Rwanda Rushya" ishaka kugarura ingoma ya gihake mu Rwanda. Kameya, umwanditsi mukuru w'icyo kinyamakuru yarihanukiriye ngo "Hashize imyaka 30 ubugome bwarahawe intebe". Nagiye kureba mu mateka y'u Rwanda nsanga ubugome bw'abatutsi bategetse u Rwanda butagira akagero. Mu mateka yanditswe n'abatutsi abavandimwe ba Kameya, nasanze ku bami makumyabiri, barishe abantu barenga ibihumbi magana inane. Ni ukuvuga ko umwami umwe yishe nibura ibihumbi mirongo ine. Kameya rero ntabwo abanyarwanda bashobora kwemera gutegekwa n'abatutsi baranzwe n'ubwicanyi mbere ya 59.

Tubendereze maze abe ari twe dutaka

Muri iki gihe abatutsi bize amayeri yo kwendereza abahutu. Bakwitabara, abatutsi induru bakayiha umunwa ngo barabaziza ko ari abatutsi, impamvu nyayo ntibayihingutse. None se byumvikana bite kubona muri Kangura n° 4 harasohotse amategeko 19 y'abatutsi afite ubukana n'ubugome burenze kure ubw'amategeko 10 y'abahutu yasohotse muri Kangura N° 6 noneho ababifitemo inyungu aho kugira ngo yose bayashyire hamwe bayagereranye, rimwe ku rindi, bagafata ay'abahutu gusa maze igikuba kigacika, amahanga agahaguruka ngo ikinyamakuru Kangura kirigisha ivangura moko. Abatutsi muri iki gihe bameze nka wa muntu ushoza intambara nta ngufu afite. Mu gihe cyo gutangira kurwana agakunja amaboko y'ishati kandi ifite magufi. Muri icyo gihe aba ategereje ko hagira umukiza rutarasakirana ariko agasiga ateye uwo yendereje ubwoba, ndetse kera kabaye, ari umukijije ari n'uwo yashakaga kurwana nawe agasiga abateranije. Muzi ko inkotanyi zashakaga gutera nya abanyarwanda. Ubumwe Habyarimana yadutoje nibwo bwatumye tudasubiranamo. Bityo imigambi y'inkotanyi iba iburiyemo. Ibyo guteranya uwakijijwe n'uwakijije birerekanwa n'ifoto ya Perezida Habyarimana iri ku rupapuro rwa 10 mu "Rwanda Rushya" N° 10. Iyo foto ntaho ihuriye n'inyandiko Kalinda Robert yise "Pourquoi le sacrifice des Bagogwe"?. Ahubwo iyo uroye neza usanga Kameya washyizemo iyo foto ashaka kuyivugisha ku ngufu ngo yemeze ko Perezida yabigizemo uruhare bityo akaba amwangishije abaturage. KAMEYA aribeshya abanyarwanda bakunda Habyarimana.

Iyo umuntu yemeye kwandika aba yemeye kwiyerekana uko ari. Muzi mwese ukuntu ikinyamakuru "Rwanda Rushya" gihakana ko inkotanyi atari abatutsi. Kubera ko nzi ko bandika kandi bagishyigikiye nakomeje gucunga byibura umurongo umwe w'icyo kinyamakuru ubyerekana. Kamurase Martin, umututsi wafungiwe ubukotanyi, akaza kwezwa muri cya gihe bafunguraga ibyitso, niwe wangejejeho ibyo nari ntegereje. Mu nyandiko yise "MDR aho inize iharanga ijosi" aragira ati: "Mu bitabira MDR hari abagifite (nibo bake cyane uko tubyumva) ibitekerezo bishaje ngo byo kurwanya gatutsi bivuye inyuma. Nizeye ko baba bavuga inkotanyi naho ubundi ari ab'imbere mu gihugu kwaba ari ukurwana na Baringa". Iyi nyandiko ya Kamurase "Rwanda Rushya n° 10 page 8" irahamya neza ko u Rwanda rwatewe n'abatutsi kuko nyiri kubyandika afite n'akarusho ko kuba yarafatanywe imbunda. Kameya mu guharabika u Rwanda aravuga ko abagogwe bazize ubwoko bwabo. Nyamara yiyibagije ko bitatu bya kane (3/4) by'abagogwe avuga ko bishwe babonanye na Kajeguhakwa mbere y'intambara. Bumvikana aho bazahurira. Baramanuka bose banyura mu Byahi, bashyikira kwa Munyampirwa Bahenda kuri Goma. Bajya i Bibwe kwitoza, bakomereza muri Uganda. Bafatanya n'izidi nkotanyi, bashirira ku rugamba baturutse iyo. Ibyitso byose byafunguwe kubera imbabazi z'umubyeyi nibireke gukomeza guta amoya mu itanagiro. Ese biriya byitso byejejwe byiyibagije ko byafatanywe ibimenyetso simusiga bigaragaza ko byari bifatanije n'Inkotanyi kandi bikabisinyira? Ese ubwo biriya byitso ntabwo bizi ko ziriya nyandiko zikibitswe?

Ubugome bwa Kameya na Kamurase buruta kure ubwa Kanjogera na Kabare kubona birengagiza ibibazo inkotanyi zadukururiye: ingabo z'u Rwanda zaguye ku rugamba, abaturage bishwe n'Inkotanyi, ubukungu bw'u Rwanda inkotanyi zadindije, Kaminuza y'u Rwanda zahagaritse ahubwo bakarenga bakarutanga barengera inkotanyi! Yewe koko abanyarwanda bavuze ukuri ngo "Impyisi ikurira umwana ikagusumbya uburakari". Icyakora Kameya n'ishyaka P.L. avugira bamenye ko twabavumbuye, kandi ntabwo tuzemera ko bagarura ingoma ya gihake mu Rwanda. Ngo kubera ko abayoboke ba F.P.R. (inkotanyi) bakomeje kuba abagwagasi babuze amajyo, Kameya umuvugizi wa P.L. (ishyaka rirwanya ibyiza twazaniwe na Repubulika) yiyemeje kurenganura abayoboke ba F.P.R. bari mu Rwanda. Yewe abatutsi ntimuheba koko! Murakeka ko icyo inyenyeri 3 ziri mu ibendera rya P.L. zisobanura kizagerwaho? Ese buriya lisiti mpimbano y'abagogwe bapfuye igamije iki mu kinyamakuru cya Kameya na P.L.? Abo bantu bose bavuga ko ari abatutsi. Si inyandiko ngome y'amacakubiri? KANGURA nyir'umutwe munini yaburira abahutu bikaba sakirirego.
